

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

For the progress of higher education in the semi -rural area of Pune city. LUTJF foundation was established and under the guidance of Prin. Dr. Sudhakar Rao Jadhavar a new college Narhe was started in the A.Y 2012-2013 on non-grant basis .As the management was fully aware of this fact. College received funds only from self-financing sources (i.e in the form of fee).Hence to ensure optimum use of Funds College prepares budget every year in advance.

Before this Principal make decision with each Vice principals & HOD's ,Physical Director, Librarian, Board of trustee and other stake holders .All these stake holders give their requirements regarding books, magazines, computer ,stationary , printing material ,amount required to meet day to day expenses and repair and maintained, Honouring to guest lecturers ,expenditure for arrangement of state National conference / Seminar / workshop educational tour, T.A.D.A for the attainment of various conference, university meeting .The path of effective movement of resources is clear once budget is permission by management .Utmost care is taken by the Principal and budget committee to meet all the spontaneous expenses properly ,so as to find out unnecessary expenditure to be incurred on various academic and non academic events and activities .
