

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

Ans:

The institution reviews its teaching, learning process, structures and methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms. The College has an integrated frame work for quality assurance of the academic and administrative activities. SPPU provides guidelines for the course, syllabi, pattern of examination and passing criteria. As per the design of the course, College arranges term wise and year wise activities and plans for classes.

The College authorities take constant review on following aspects:

Academic calendar and teaching plans

- Term wise plans and term end reports
- Allocation of work load and resources
- Preparation of class wise timetable
- Examination schedule and practical schedule
- Power Point Presentations by both teachers and students and use library and internet facilities.

All the above mentioned steps ensure the effectiveness of teaching and learning process which is reviewed regularly with the help of following tools: Students" feedback

- Results of the term end exam
- Assignments submitted by student
- Final results at the end of the year
